

Christy Nelson embarks on her new career in Real Estate by holding her first open house. Entering the wrong house, by accident, she finds the nude sleeping body of a young man. Navy SEAL Kyle Lansdowne, on a mission to find his missing Team buddy, is staying at his buddies home while investigating the disappearance. When someone breaks in, he takes protective measures. He doesn't expect to find that a beautiful young woman is responsible for his teammates abduction. What starts out as a meeting by accident becomes a hot affair neither one is ready for. Kyle is conflicted about getting Christy involved in his mission, but his hand is forced when he learns the same San Diego gang responsible for his teammates abduction has kidnapped her. Battling a cadre of dirty law enforcements hell-bent on getting military equipment, especially state-of-the-art firepower, Kyle is forced to admit that he would be willing to die to protect her.
