

The Lions Surrogate

Lion Alpha Torrance is in a precarious situation. Lion shifters are in danger of becoming extinct and he is struggling to find a way to solve the problem. In this world, Lion shifters can not breed with other lions. They need a human woman with a particular gene to carry the baby for them. And finding women with that gene is not easy... Curvy Amy is one of the few women left on the planet who has this gene and she could be the key to repopulating the Lion Shifter community. Now she must become the Lions Surrogate and take on the responsibility of carrying the first Lion cub for a generation. This is a job that comes with huge risks but it also comes with a Lion that will do anything to protect her...
