

Rancher Kinsley has broken free from her abductors cell. Now free, she wants life to return to the simple way it was on Earth. But Brolen, the frost alien has an irresistable primal energy and chiseled body she cannot ignore. Brolen the frost alien lusts to be one with the human Kinsley. But he sees her struggling to come to terms with her identity as one living in outer space. He would give her time to come around, but the pair are fast running out of it. The Dunleth-U1 ship's power units have faded and the ship is on course to the inescapable gravity of a nearby star. As the spectre of death invades the pairs minds, Kinsley knows she must face her darkness. She must show herself she can handle the power of the alien warriors lust. Frost Aliens Lust is a 15,000 word story with a steamy, happy ending. Intended for mature audiences only (18+). Launch price of \$2.99 \$0.99 for a limited time.
