

Boarlander Silverback (Boarlander Bears Book 3)

****Dont miss the explosive third book in the bestselling Boarlander Bears series****
Alison Holman has been assigned to enforce the new laws around Damons mountains, but a chance meeting in the woods with rip-roaring, chest-beating, musclebound gorilla shifter, Kirk Slater, and shes questioning everything. The Boarlanders arent what she thought, and the more Kirk shows her his world, the more the line between humans and shifters is blurred. But as she falls head over heels for her man, a war is brewing that she is unwittingly a part of. Shell have to let her heart decide where her loyalties lie, because suddenly, the job she was sent here to do doesnt make sense anymore. And one of those illegal claiming marks from the man she loves is becoming mighty tempting. Kirk Slater is a logger by trade and a fully mature silverback shifter ready to make some big life decisions. He has everything figured out until he meets Alison, the beautiful undercover cop with a tough, tatted up exterior and a serious soft side that has his gorilla roaring to be with her. Too bad shes arrived right in the middle of a storm brewing over his crew. Now Kirk has to figure out if he can trust her and fastbecause the biggest threat to Damons mountains might just be the woman who has stolen his heart. Content Warning: Explicit love scenes, naughty language, and piles of sexy shifter secrets. Intended for mature audiences.
