

## Slades Desire (White River Wolves Book 2)

After what felt like a lifetime alone, Slade Dawson fell in love and married, forsaking his true mate. A century has passed since his wife's death. Slade has now dedicated himself to his duty as head enforcer for the White River Wolves. Until he catches her scent; the scent of the one truly meant to be his. Waking up in pain and fear, Gypsy Layne remembers nothing of her past. She doesn't remember the family she lost, the sister who suffered with her, or the last several months she spent imprisoned by a Colombian drug lord while fighting daily to survive. All she has left now is a feeling of hopelessness. Will Slade be strong enough to make amends with his past and help the one he was meant to love? As she struggles to remember, will Gypsy be able to overcome the hell she has been through? Will an unforeseen danger that stalks them both, keep them from each other?
