

Accidentally on Purpose: Match Made in Honeybrook, Novella Two

Hailee Bloom knows better than to fall into one of her older sisters traps. So, when flowers show up day after day from a mysterious admirer, it doesn't even faze her. No, the only thing that gets under her skin is her sister's terrible taste in deliverymen. Now not only is she being taunted by her sister's attempts to set her up, but her ex is knocking on her door every day with a fresh bouquet. Still, Hailee's determined not to let him break her heart again. Tony Dillinger has a second chance at the one that got away. The only trouble is that she hates his guts. Or, at least, he thinks that's the only trouble. When the past comes back to haunt them again, he'll stop at nothing to make sure he doesn't lose Hailee this time, no matter what it costs him.
