

Re/Bound (Doms of the FBI Book 1)

Losing her master ripped Darcys world apart. Falling in love put it back together. Malcolm is an undercover agent, and shes his unwitting asset. Can a relationship built on lies survive the truth? Picking herself up after the devastating loss of her master is more difficult than Darcy anticipated. Just when she needs someone the most, a handsome Dom steps in. Theo is thoughtful, dominant, and demanding everything she needs. He pushes her boundaries, tests her limits, and takes her to new heights. With him, she remembers what it is to feel joy and love and a firm hand on her ass. Agent Malcolm Legato is after a corrupt businessman, and Darcy is his ticket into the upper echelon of Snyder Corp. As he cultivates her as an asset, he falls hard for this feisty submissive, and he knows hell break her heart the moment she finds out hes been lying to her all along. When it all falls apart, will Darcy be able to find the strength to forgive Malcolm so they can build a life together and the courage to bring justice to the man she loved and lost?
