

The Solution Within Yourself: Closing the gap between who you are today and who you want to be tomorrow

A practical guide for achieving results, happiness, success and purpose in life. This book is about how to develop a powerful focus in life, how to deal with obstacles and adversity and how to achieve personal change. Most people have a picture of themselves; once they start changing this picture they change their lives. The Solution Within Yourself is empowering and concise. Its emphasis is on thinking strategies and on how to convert these strategies into actions and results. Top achievers differ from ordinary people in one major aspect: their minds are conditioned for success. This book will teach you how to condition your mind in whatever way you decide is right for you.

The content has to be more current, and we need more of it.
