

Breakfast At Bethanys (Mills & Boon Temptation) (Single & Sassy)

Directionally challenged Beth Von Meeter has had it up to here with watching her friends saunter down the aisle. But when she turns to an online matchmaking service, Beth finds herself sitting across the table from Spencer James, the blunt but sexy newspaper journalist, who has an offer she can't refuse. Be the subject for his story on computer dating and he'll help her snag a marriage-minded guy pronto. Unlike Beth, Spencer can't imagine actually looking for love. His own heart is burned to a crisp and he's determined to live by one rule: don't get involved with anyone unless it's just sex, nothing more. But when an accidental touch erupts into a sizzling night of white-hot desire, Spencer can't help but think he's finally met his match, but that can't be right, can it?
