Shes Damaged Dani Broussard never imagined that her life would turn out like this. She always thought that her grandfather would be there for her into adulthood and that her high school sweetheart, Jared, would be the man she would marry. That isnt what happened though. Instead, her grandfather got sick and passed away before Dani saw the age of nineteen. It was just her and Jared until he hooked up with a local MC, The Suicide Kings Then it was just her. Pig-Pen claimed her body, rules her life, but he would never hold her heart. Kept because of her looks and a particular set of skills unique only to her, Dani has been with The Suicide Kings for the last three years three long damaging years. She hates it, all of it, the pain the humiliation, the fear and as strong as Dani is, as clever as she can be, she is quickly finding that death may be the kinder, gentler option rather than live through any more of this hell. Doubly determined to finish this with no more wreckage or damage to the SHMC, Thirteen is blindsided by his heart when he lays eyes on Dani.
