

Defenders Blood Tatianas War (An Urban Fantasy)

Urban Fantasy. Tatiana is in pain. The fairy feels death and destruction emanating from her own realm, the Fairy Realm a secret kingdom where none can gain entry, which should have been safe. Her only option is to travel there with her mate and their friends, a group of strong Wolves and Vampires. These warriors represent the one hope of saving her Queen and her people. What awaits them? Can they save the Fairy realm and all who live there, or will they perish in the attempt? Read Book 6 in the Defenders Blood series Tatianas War to find out. Adult Content In This Book!
