

Bible Covenants 101

The topic of Bible Covenants might seem to be an unusual subject, but its vitally important to get to grips with to understand how God wants to have a relationship with mankind. This little guide is a perfect way to get a quick introduction to the subject. The first chapter reviewing the main components of the Biblical covenant with the following chapters taking a look at the main covenants in the Bible, as well as some lesser well-known ones. The final chapters analyse the progression of these covenants from Old to New Testament, from the Old Covenant to the New Covenant, and the final chapter concludes the book with a look at the relevance of the use of the word Testament. Why do we have Old and New Testaments and how is this related to covenants?
