

Flirting With Thirty - The Lover (The Internet Dating Chronicles Book 5)

Past, Present, and Future Midway through a romantic getaway weekend, a visit from Dana Jenkins past reminds her where she's been and what she doesn't want in her life ever again. Scott Masters has wrought changes in her that have made her into the woman she's becoming, and she's as shocked as she is thrilled. Who knew the forty-something mother of four had it in her to do a wildly seductive strip-tease for a man sixteen years her junior? It only takes a weekend with Dana to make Scott want more from her. Now he wants a place in her future. She's come to accept that their ages are not an obstacle, but can this fantasy she's enjoyed with Scott exist in her real world? Is there a place for him in her home, her heart, and her family?
