

## The Midnight Effect: Latin Werewolves Series (El Lobizon Book 1)

Animal habitat designer Allison Caufield sees a rare sight. A wolf thought to be extinct, roaming the underbrush of a Central American jungle. What she captures on her digital camera could vindicate her or destroy her reputation once and for all. Javier Lopez is used to the shadows. To save his people, he must stop the one woman who can prove such dark legends exist. Her sweet scent and lush curves call out to him even as duty to his pack forces him to steal from the beautiful American. Cast into the role of rescuer by the hand of fate, Javier must now bring all his considerable skills and heightened senses into play if he has any hope of saving Allison before the midnight effect.
