

## Storms of Life Series Volumes 1 & 2

Volume 1 is *Calm Before the Storm*, the first novella in the series. Vera Minette Brady left Louisiana six short years ago and never looked back. There were times she missed Lake Pontchartrain, but not enough to return after her high school sweetheart ripped her heart asunder. She hadn't counted on a hurricane and her sister's illness to lure her back. She hated hospitals and wondered why a feeling of déjà vu iced through her veins and overpowered her each time she entered one. The truth was she knew why. She just didn't want to think about it. Douglass Stevens, the owner of a construction company, discovered something more important he'd love to construct besides buildings. He wanted to rebuild the relationship he once had with Vera. Why did it seem something always got in the way? When Vera returned to see her sister, he planted himself at the hospital to support her, determined not to let her get away again. Together, their path is littered with obstacles, and they have to decide if it's God's will, hospital error, or someone playing God as they helplessly watch loved ones die. Will Douglass be strong enough to provide the support Vera needs through this storm in her life? Can their love weather the storms that rage against them both? In Volume 2, *Journey with the Characters from Calm Before the Storm as New Storms Threaten Their Lives in Serenity Through the Storm*, novella 2 in the series. Vera, Douglass, Mark, and Serenity have to work together to plow their way through this one. Douglass and Mark are construction workers. Serenity is a nurse. Mark and Serenity honeymoon in TN but when they return from their honeymoon, Mark has to face a job he doesn't like. No way does he want to spend the rest of his life as a paper pusher, but what can he do about it with one leg? He's been assigned to a desk job, and he hates it. His once tanned and calloused working-man's hands are

now smooth and white, a constant reminder that hes not the man he used to be. Will he ever be again? Is he man enough to protect Serenity from the new storms that weather their lives? His heart pounds when he sees her red Impala flying through the air. Dear God, Please dont take this one, too.
