

The Way We Werent

Amber Daniels was on a mission to destroy Lance Edwards's yuppie lifestyle! Years before, he had taken her virginity on a bet, and now revenge would be sweet. But Lance seemed to thrive on her sabotage; he just kept getting happier and happier. The only thing Amber was managing to destroy was her own resistance to the fiery chemistry between them. And as for Lance, the cad, he seemed determined that they should live happily ever after together.

Comedy The class enters an essay contest about the history of NYC, but Mr. Moore thinks they should write about what lead them to The Way We Werent. The Way We Werent is the twentieth episode of The Simpsons fifteenth season. It originally aired on the Fox network in the United States on May 9, 2004. Homer and Marge recall the story of their first kiss at summer camp when they were children, which was not all that happy. Homer betrayed (unwillingly) Marge THE WAY WE WERENT.
