

Ineligible Bachelor

After years of pining, Frederika Freddy McAllister has hatched a scheme to win Logan Gabriels heart: she'll secretly enter him in Elan Magazines Eligible Bachelor Contest, then swoop in to soothe his bruised ego when he loses. Unfortunately, Freddy's fool-proof plans have a tendency to backfire, with disastrous albeit hilarious results. And this one looks to be no exception. Because Logan doesn't lose, he wins, earning a spot on a new reality TV show with six beautiful women vying for his affections. And if Freddy had read the fine print on the entry form, she would know that, as Logan's oldest friend, she will be tagging along to choose the lucky girl. Suddenly Freddy's perfect plan has become a perfect nightmare, complete with scheming TV executives, conniving contestants and a bachelor in danger of falling for the wrong woman. Freddy caused this mess. Now it's up to her to prove to Logan and millions of television viewers that the girl next door is really the woman of his dreams.

The fourteen-year-old further observed two types of bachelors.
