

Lady In Disguise (The Langley Sisters Book 1)

Desperate and penniless, Miss Olivia Langley is out of options. To ensure her family's survival she and her sister decide to take a drastic step - they don masks and take to the road as highwaymen. Disaster strikes when, inside the first carriage they rob, they find the one man Olivia had hoped never to see again. Five years ago Lord William Ryder had broken Livvy's heart. Now he has returned and she has a bad feeling that if anyone can succeed at unmasking her deepest secrets, it will be him. Will knew his return would be greeted with both joy and resentment, but after five years of hard living he was ready to come home and take his place in society. He had never forgotten Olivia no matter how hard he'd tried, and whilst he hadn't imagined she would welcome him with open arms, the hostility and anger she displays are at odds with the woman he once knew. It is not long before he realizes she's living a dangerous lie, and now that he's back, Will is determined to keep her safe and finally claim her for his own.
