Malavita(Prequel) Revenge Retribution Redemption Reckoning \*\*\*\*\* Excerpt: Leave me alone, Delfina tossed over her shoulder, turning her head to give her father one last glare. She sailed off the last step into the foyer and plowed into a hard body. A hard body that smelled delicious, sexy. Two strong hands gripped her arms to keep her from falling. She gawked at a face that was eerily familiar. The young man standing in front of her wasnt Enrico Lucchesi--his wavy, tousled hair was a rich chestnut, not onyx, and his eyes were mossy green, not chocolate. But the strong blade of his nose, the high prominent cheekbones, and the full, generous mouth were all Lucchesi. Who are you? she blurted. Nick Clarkston, he answered, his accent British, upper crust. Who are you? My daughter, Delfina, her father said from behind her. His hands came to rest on her shoulders, and Nick abruptly released her and stepped away. Nick glanced from her to her father. Is everything all right? he asked. Not really, she said.Could he be...? But if he was, what was he doing here, in her fathers house?
