

Devil Hills: #5 Allie (Volume 5)

Allie OConnell knew she wasn't focused. She'd lost her best friend. The people she believed to be her parents hadn't been quite honest with her. Ever. And now she was tromping through the snow to avoid an Alpha who wanted her in his bed. His minions weren't happy with her because she'd ruined their tires and stolen all their clothing while they slept. That's how she met Cooper Ryder in the town of Devil Hills. Something told her to trust him. How much faith would she place in a rough-sounding voice in her imagination that looked like a wild cougar? Hopefully, it would be enough.
