When children go missing, and the Humans have no leads, Im the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot. One last salvage and the final battle with Orion and the demon hordes will be upon me. I dont know the name of the person Im Tracking, or what she looks like so finding her is going to be ... impossible. But she is the key to defeating the demons. The world has been swept with a plague that is killing not only the humans, but every supernatural it touches. While Im out Tracking, my allies are being wiped out. Worse than all of this? I am losing Pamela to the darkness with every second that passes. Im not sure even I can control any of these outcomes But that doesnt mean Im not going to try.
