

Sand and Foam

Sand and Foam is a collection of profound and inspirational thoughts from the master of timeless wisdom, Kahlil Gibran, author of *The Prophet*. Abstract and specific, amused and awed, direct and circuitous, this work draws together strands of advice and motivation to enrich the mind, heart, soul and life of the reader. Newly presented in a beautiful small format, the lines of *Sand and Foam* echo with a beauty as moving and relevant today as when they were first written.

I AM FOREVER walking upon these shores, Betwixt the sand and the foam, The high tide will erase my foot-prints, And the wind will blow away the foam: I am forever walking upon these shores, Betwixt the sand and the foam, The high tide will erase my foot-prints, And the wind will blow away the foam. But the sea and the shore will remain. Forever.

Sand and Foam is a small but priceless collection of parables and aphorisms embellished with the author's own mystical drawings and sketches. First published in 1961, it is a book of aphorisms, poems, and parables by the author of *The Prophet* - a philosopher at his window commenting on the scene passing.
