

Seductive Embrace Book 3 Surrendering Sensuality (Accidental Romance)

Surrendering Sensuality is the third book of the Book 3 by the exciting author Katelyn Skye. Eva knew Malcolm West would be trouble. Even as he welcomed her into his exciting new world, she knew there was much more beneath his genteel layers. Still, he gave her his heart and showed her how much he wanted to prove that his devotion was real. Women could only dream to capture the attentions of a man so rich and powerful. A part of Eva told her not to raise her hopes too high and the other part told her she'd better not mess things up. All he wanted, after all, was her submission. And soon, Eva would surrender all the reins of her sensuality to a man whose hidden passions were nothing like she'd ever expected. This series is a contemporary, erotic romance featuring a billionaire, alpha male bachelor. This ebook contains very hot and explicit descriptions of erotic activity. Only mature readers should download this book.
