Justice (Bad Boys of X-Ops) (Volume 2)

Fight to win.Fight to survive.Fight for love?JUSTICELets face it. Ive got a bad rep with the ladies. Im a rough-talking, smooth-loving, international playboy--yeah right, whatever--and an X-Ops specialist. Sure, Im hiding a secret or two. Who isnt? Thats the least of my concerns when Im called in to lead an infiltrate-and-retrieve mission. Ive got my head in the game--the one firmly attached to my shoulders. An American embassy overseas is under siege, and Im expecting to rescue the ambassador and his daughter, a stereotypical geeky damsel in distress, Matilda Lawless. Caught in the crossfire between explosive danger and wild desire, Im in for the shock of my life.TILLYIm not looking for any man to save me. Im pretty damn capable of taking care of myself, thank you very much. I a successful career and was practically born and bred on a gun range, even if I cant bake a perfect biscuit to save my life like a good southern woman should.But theres just something about that hardcore operative called Justice. Hes haunted and lonely, and I know that pain inside and out. It doesnt hurt one little bit hes been blessed with more than his fair share of good looks, plus a body that would make any red-blooded woman drool.Barricaded inside the embassy, under my fathers shrewd eyes, I intend to have Justice no matter how many times he says hes not good enough. I see the way he watches me. With dirty, sexy, hungry lust. Fighting is what Justice does. Now I need him to fight for me. Warning: Graphic sex, graphic action, graphic language. Triple X caution.
