Please note: *Recompense* is an adult paranormal romance with fantasy elements. *Recompense*; book 3 in the *Gwarda Warriors Series* Darius is a broken warrior who has survived abuse. He had given up hope of becoming what he considered a normal, acceptable male and has hid behind years of anger, resulting in an icy cold heart. Having killed the traitor *Gwarda* responsible for his brothers death, he once again sets out to find his abuser from long ago, hoping to finally find peace. Will he live up to his nickname, *Savage*? Will he return to his *Gwarda* brothers and join them in the fight against *Lucius*, the god of death? Can he overcome his past and feel worthy enough to deserve his beautiful *Destoul* who seems to have appeared out of nowhere? *Sorvus* has longed to live in the human realm as her druid mother once had. Being a half-breed in *Vehaven*, the realm above, has been troublesome to say the least, and having *Lucius*, the god of death as your father didnt help matters much either. So when *Sorvus* sees in a vision that her *Destoul*, her souls one true mate, destined only for her, will be one of the new race, the *Gwarda* warriors, she is more than eager to begin her adventure. What she hopes to be a fairytale-like romance turns out to be challenging when she finds herself struggling to break through *Darius*s cold heart. Darkness surrounds her in the human realm as the god-side of her sees dark and malevolent entities and feels the sting of death itself. Will she ever win the heart of her troubled mate? Will she be able to survive in the human realm where evil abounds? The *Gwarda Warriors Series* Had *Keirah* and her sisters known what was set in motion the day their stones appeared and how personally they would be affected by it, they would have still fought the darkness, still battled for what belonged to them. Anguish had fallen upon their people as darkness encompassed their land, but

through the darkness there came light. The new race of warriors would be their hope, their salvation, their loves destiny. But they too could be tainted. They too could be seduced by the dark forces they had been created to fight against. If measuring by this earthly realms time then its been years but in the unseen realm above known as Vehaven, it has been but a moment. Love knew no bounds, knew no limitations. It looked beyond the unseen realm and reached in for a taste, for a moment of regenerated happiness, and in that moment fate was altered and the destinies of many were changed. Their land, their Northbrook, they discovered...was a very magical place.
