

Daughters of Darkness - The Anthology (4 Paranormal Romance Novels)

Four authors will each take a different daughter born from the Prince of Darkness, Vlad Montour. (Also known as Vlad the Impaler, an evil villain from history) Blair Chrissy Peebles Jezebel Kristen Middleton Victoria W.J. May Lotus C.J. Pinard Blair: Half witch and half vampire. She lives with a coven of witches and hasn't had any contact with her vampire heritage. Blair is living the perfect life until one day, everything crashes down around her. She is forced to leave everything she knows and loves, and must go on the run to save her life. ~~~~

Jezebel: A red-haired vampire/succubus with dark appetites. She's also a Private Investigator, living in Sin City, and tracking down cheating spouses is her specialty. Life is good, until one night when Jez is visited by a stranger, named Dorian Hart, who hands her a letter with some shocking revelations. ~~~~

Victoria: Only Death Could Stop Her Now Victoria is a Hunter Vampire, one of the last of her kind. She's the best of the best. When she finds out one of her marks is actually her sister she lets her go, only to end up on the wrong side of the council. Forced to prove herself she hunts her next mark, a werewolf. Injured and hungry, she is forced to do what she must to survive. Her actions upset the ancient council and she finds herself now being the one thing she has always despised -- the Hunted. ~~~~

Lotus: Don't let the pretty name fool you. This daughter is no delicate flower. Lotus grew up orphaned. Having no idea who her real parents were, she's been drifting around the U.S. for over 100 years moving every 15 years or so since she just doesn't seem to age. She figured out on her own that she had to be at least part vampire, as she needs to suck on a few blood bags a month to survive. Working as a detective with the Denver P.D., Lotus is searching desperately for a serial killer who is murdering the homeless of the city. Except these are not ritualistic or thrill

killings. These victims have been drained of blood and Lotus knows, beyond a shadow of a doubt, that they have been committed by a vampire. Her search will take her to Las Vegas, and that is where the true adventure will begin, when she finds out who has been searching for her.
