He can take her anywhere her heart desires. She can bring him to his knees with the gentle flick of her finger. A town mixed with the supernatural, magic and murder. If you stand very still on the cliff side, you just might hear the dead whispering in the wind. Escape to a world where the impossible becomes possible and sparks ignite. Whisper Cape is a town of secrets, and Addison MacKenna soon becomes tangled in a web of them. Plagued with nightmares of her father's sudden and brutal death, Addie struggles with her anguish and refuses to believe that his demise was accidental. But that's not the only thing she struggles with. All of a sudden, the impossible seems possible, and it's not clear whether that's a blessing or a curse. Cael Sheridan may be arrogant and mysterious, but he's also undeniably gorgeous. A member of a secret society, he is sworn to protect the woman he believes to be the daughter of his recently murdered mentor. In the process, he finds it impossible to resist her magnetic sensuality, complicating his efforts to shield and guide her as she learns to manage her newly acquired skills. A powerful woman, an extraordinary man, and a murderous maniac who wants to destroy them. Fate has brought them together, but will it make them stronger or destroy them all in the end?
