

Bitten Beauty (Book 3 Of the Deadly Beauties Live On)

From the Deadly Beauties Live On Series...

ZEE I didnt choose this life. I didnt choose my fate. In fact, fate seems to have thing for fucking me over. Leah is just one more thing I didnt choose, and now Im fighting everything in me not to turn her into the monster I never wanted to be. But we both know whats going to happen in the end, because as always, I have no control.

LEAH Hes wrong and right in the same breath. Hes terrible and perfect. Most importantly, hes my savior and my damnation. This world isnt supposed to exist, and Im not sure if Im insane or dreaming. Either way, I cant stay away from Zee, even if it means I might lose myself to him completely. Thing is... Hes the safest option, because every path is deadlier than the last.
