

The Chakras (Book 4) - Chakra Journeying (The Chakra Series 9)

This book takes you through the chakras on a journey using mandalas. It allows you to meditate on each chakra in turn and dissolve barriers that restrict your energy. We are capable of so much more when our chakras are active and clear. The book is a meditation in itself, reminding you of how to stay connected to your chakra energy and balance the chakras. It is designed for a Kindle fire. Don't forget to double tap to enlarge the mandalas. The words should be large enough for small devices although it is not the words that count in this book, it is the effect of the colourful mandalas. I hope you enjoy them and they help to relax and revitalise you.
