

Three Broken Promises: A Novel (One Week Girlfriend Quartet)

Breakout sensation Monica Murphy returns with a hot new contemporary romance heartfelt story of second chances, forgiveness, and redemption. Commitment. That's what I really want from Colin. Ever since my brother, Danny, died in Iraq, Colin's done so much to help me, including giving me a job at his popular restaurant so I can leave my crappy waitressing job at the strip joint. But lying in bed with him every night to comfort him from his horrible nightmares isn't enough anymore. I know he feels guilty about Danny's death, about not going to Iraq, but I can't keep living this double life. I love him desperately, but he's got so many demons, and if he can't open up to me now, then he'll never be the real partner I need him to be. I gave him a month, and now I'm out of here. If he truly loves me like he says, he knows where to find me. Praise for *Three Broken Promises* The heat between these two is explosive... .
