A sex demon and a preacher's kid? Heaven forbid! Technology whiz Bailey Brown is one of two humans alive who knows a very important secret: that humanity has shared their planet with paranormals for millennia. When an obsessed hacker from her past threatens to expose the secret, Bailey and her Sebastiani Security colleagues must use every weapon at their disposal to stop him. The stakes couldn't be higher, and she can't let herself be distracted by her boss's gorgeous brother, even if he is temptation incarnate. Incubus sculptor Rafe Sebastiani hasn't produced a decent nude in over a year, since he made the most selfish mistake of his life: sleeping with Bailey Brown. Now, with a deadline looming, his cranky muse has finally allowed him to express his memories of that incendiary night in clay. But when his brother asks him to pose as Bailey's lover to provoke her dangerous ex, he jumps at the chance to sculpt her, to protect her, and to earn the right to tempt her and only her for the rest of their lives.
