

Once Upon a Wolf (Be-Wished Book 2) (Be Wished)

Three friends. Three margarita-fueled wishes. One Wish Fairy to grant them all. Paige never thought her secret wish might come true. After all, shapeshifters don't really exist. But Adam is one big bad wolf who is more than willing to make all of Paige's kinkiest fantasies a reality. The sex is raw and glorious and Paige is everything he ever wanted in a woman. Except for one pesky little detail. Long ago, he swore to never fall in love with a human.
